Hi Rodney

I know that you are only back in office today, but we need to complete certain of our investigations speedily given that our hearings are to commence on 12 November 2012.

In reference to the letter dated 12 October 2012 we had requested that you advise us by 16 October 2012 whether it would be in order for us to interview the senior prosecutors assigned to the Khayelitsha court. I still await your response in that regard. Could you advise in relation hereto as a matter of urgency.

Secondly, as you had indicated to me telephonically you had delegated the task of collating the information sought from your office and which we requested to be provided to us by 26 October 2012.

I inferred that you required more time and requested that you indicate by when such information would be available. This is just a gentle reminder for you to please advise (even by return email) when I could expect the information requested.

Many thanks for your kind assistance.

Kind regards  
Nazreen Bawa
